

BUY LOCAL GUIDE 2024

PRESENTING SPONSOR

**LOUISVILLE
INDEPENDENT
BUSINESS
ALLIANCE**

What Spends Here, Stays Here.

The Louisville Independent Business Alliance is proud to bring our members together for you in our 2024 *Buy Local Guide*. These businesses are unique enterprises with deep roots in this community. They also keep more of your dollars recirculating right here where we all live. Independent, locally-owned businesses are essential to a vital local economy and Louisville's community character. They're owned by our friends and neighbors, or maybe even by you.

Independent businesses are the backbone of local economies, civic life, local charities, and wealth creation for millions of citizens, as well as a training ground for future generations of entrepreneurs. When you shift your spending to more local independents, you keep the home fires burning: \$55 of every \$100 spent stays right here (only \$14 with a chain and practically nothing with a mega online retailer). So think of yourself as a member of the community, rather than merely a consumer.

Home is where the heart is, and when you buy local, it's also where the money is!

Thank you for your support and love of locals! Shopping at local businesses is the key to a successful community. Shopping at small businesses is what keeps our economy going.

At both **502 Hemp Wellness Center** and **812 Hemp**, being local and supporting locals has always been at the core of our existence. We partner with many local small companies to offer unique quality items. Our 502 Hemp store has been open for over 5 years bringing quality hemp and cannabis products to the community. We fought hard to keep Delta 8 legal and have worked hard to get medical cannabis passed in Kentucky. Our 812 Hemp store opened in December 2022 to bring our expertise to the Southern Indiana Community. We are proud community partners to many organizations and we are honored to be LIBA members.

If you have any questions, we are always here to help. 502 Hemp and 812 Hemp are your local reliable and reputable cannabis wellness centers!
