

## LIBA Members that Supply PPE

- **Leonard Brush & Chemical** is producing bleach, disinfectant, glasses, gloves and masks. Contact Weston Adams at (502) 585-2381 or [wadams@lbc1879.com](mailto:wadams@lbc1879.com).
- VanguardShield (made by the owners of **Clayton & Crume**) is producing face shields. You can visit this site <https://www.vanguardmedsupply.com/faceshieldshop> to shop shields.
- **Formé Millinery Hat Shop** is making cloth face masks with a slit in the side to slide in a filter. Contact Jenny Pfanenstiel directly at [info@formemillinery.com](mailto:info@formemillinery.com) or (773) 719-7307. Or visit her website at [www.formemillinery.com](http://www.formemillinery.com).
- **The Mysterious Rack** is making cloth face masks. They are happy to wholesale face masks with filters to companies trying to reopen. Businesses can even order cotton fabric print that best associates with their business at [fabric.com](http://fabric.com). Wholesale price is \$9 per mask but they are more than willing to work with people who can't afford that. They want to see all of our small businesses open back up! Visit the website at [mysteriousrack.com](http://mysteriousrack.com) to place an order.
- **Designs by Esi** is producing washable, reusable, fabric face masks made of 3 layers of 100% cotton fabric including a pocket into which end users may insert disposable filters. Visit her Etsy page to place an order - <https://www.etsy.com/shop/AfricanFabricPlaza>
- **Wish's Drugs** has disposable thermometers (hold on forehead for 15 seconds and the reading comes up in a bubble). Contact Frank Wishnia at 502-939-0063.
- **Kentucky Chamber of Commerce Executives** is partnering with Gov. Beshear during Phase 1 to offer face masks to Kentucky Businesses. **Questions?** Contact Sarah Cathey at [scathey@kychamber.com](mailto:scathey@kychamber.com) or 502-848-8719. Masks can be ordered at the following link - <https://www.kychamber.com/maskorderform>.
- **Brownsboro Hardware & Paint** has been open and supplying many key items during the last 7 weeks. Below are a few examples: 100's of sheets of Plexiglass, Toilet Paper, Paper towels, bleach, gloves, green light bulbs, and masks periodically. Contact Jim Lehrer at [lehrerj@aol.com](mailto:lehrerj@aol.com) or visit their website at [www.brownsborohardware.com](http://www.brownsborohardware.com).
- **Total Office Products & Service** can now order the following Safety Barriers & PPE items: Countertop Safety Barriers, Mounted Safety Barriers and Hanging Safety Dividers. They will come straight from the manufacturer and can be obtained in 2-3 days. Call or email Chris for more details (502) 636-9278 / [chris@totalops.com](mailto:chris@totalops.com) or [sales@totalops.com](mailto:sales@totalops.com).
- **PrintWorx** has face masks that your company or organization can distribute! They will place your logo, message or image on any of the 5 available styles. Contact Crysten for pricing (502) 491-0222 or [crysten@printworxoflouisville.com](mailto:crysten@printworxoflouisville.com).
- **JEB Advertising** has disposable medical face masks, standard protection KN95 (non-medical) face masks, infrared thermometers, hand sanitizer, counter barriers and personal UV sterilizers - contact Autumn at 502-645-7770 or email [sales@jebadvertising.com](mailto:sales@jebadvertising.com).

## LIBA Members that Supply PPE
